Opulent living on Gordon- Master built family residence of grand proportions. Ci

Step inside and fall in love with the design, space and feel of this home, which is really focused on big family living, entertainment and functionality.

Talking of big living & entertaining- the main family area is massive and includes open plan kitchen, casual sitting room & dining space that seamlessly blends into the undercover entertaining area.

Simple designed kitchen features a 3m caesarstone island bench, two-pac cabinetry, SMEG appliances including integrated dishwasher, 900mm gas stove and two 900mm electric ovens plus a generous butler's pantry for extra convenience.

A separate formal lounge features Tasmanian Oak flooring, a feature tiled wall with stone shelf holds the warming gas Escea heater and overlooks the magnificent outdoor entertaining space. Adjoining home office or fifth bedroom with double glass doors and opens onto a private courtyard with water feature.
