

## 26B Wakefield Street Kent Town SA

4  2  2 

With plenty of European style, this inner-city Torrens Title townhouse evokes a feeling of privacy and elegance. Cleverly designed over three levels .

Impeccably maintained, the architecturally designed home was originally built in 1988. The floorplan is flexible and can easily be moulded to the requirements of many family configurations.

Set back from the road, through the picket fence find yourself amongst leafy manicured gardens, a picturesque, private setting taking you well away from the pace of city life.

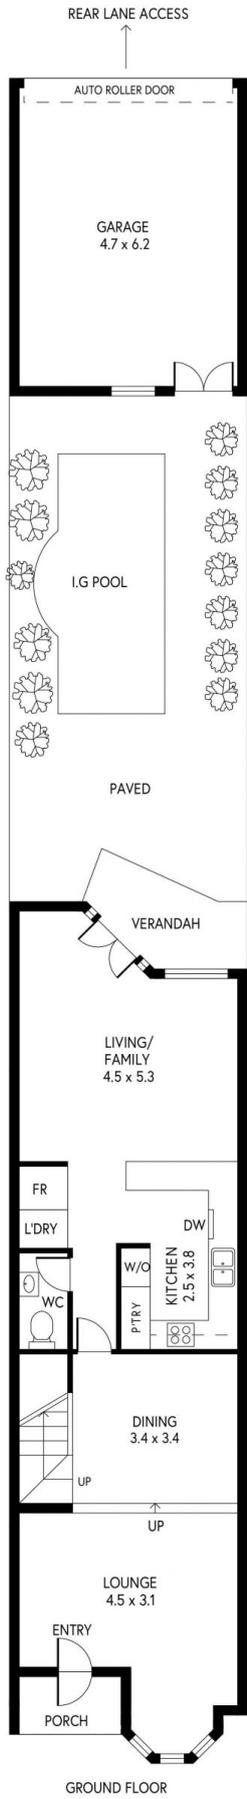

Upon entry revel in the spacious, split level formal living and dining area. It enjoys a delightful northerly aspect with natural light flooding through the charming bay window.
