

220 Melbourne Street North Adelaide SA

3  1  4 

Beautifully elevated on the northern side of Melbourne St. and capturing views of Adelaide's rapidly changing skyline, the property enjoys a wide frontage of 16.15 sqm approx. and has been used as a suite of medical rooms until recently.

The future possibilities are exciting and there is ample opportunity to add value to the already functional property via renovation and/or further extension as a residence, offices, medical suites or partial redevelopment (subject to Planning Consents).

Amidst beautifully maintained grounds, the property comprises some 8 main rooms plus cellar and is characterised by high ceilings and large windows allowing masses of light. Multiple off-street carparks can be
