

**6/43 Percy Street Prospect SA**

2  1  1 

A conveniently located and thoughtfully renovated 2 bedroom apartment just 10 minutes or so from the CBD.

It is quietly located at the rear of the small group and has an allocated off street car park.

There are 2 double bedrooms and an open plan living/dining area which is overlooked by a superb timber kitchen featuring glossy white appliances. There is a large sparkling all white bathroom/laundry. Both bedrooms have brand new carpets and the property is freshly painted.

Split system air conditioning - floating parquet flooring - halogen spotlights - the entire feel is smart and contemporary.
